## Physical Chemistry

### Fizikinė chemija

<i>Gylienė O., Razmutė I., Tarozaitė R., Nivinskienė O.</i> Chemical composition and sorption properties of chitosan produced from fly larva shells .....	121
Santrauka .....	127
<i>Valiulienė G., Žielienė A., Jasulaitienė V.</i> Electrochemical and XPS investigations of Zn–Co sulphide coatings .....	128
Santrauka .....	134
<i>Aikaitė J., Gylienė O., Nivinskienė O.</i> Formation of insoluble polynuclear Ni(II)–citrate complexes in alkaline solutions .....	135
Santrauka .....	139
<i>Jagminienė A., Stankevičienė I., Vaškelis A.</i> Autocatalytic copper(II) reduction by cobalt(II)–ethylenediamine complex studied by rotating disc electrode technique .....	140
Santrauka .....	144
<i>Treigienė R., Musnickas J.</i> Influence of nonionic surfactant on wool fiber dyeing thermodynamics and kinetics parameters .....	145
Santrauka .....	150

## Electrochemistry

### Elektrochemija

<i>Jagminas A.</i> The influence of metal nanoparticles ac synthesis conditions on the alumina template properties .....	151
Santrauka .....	158

## Analytical Chemistry

### Analizinė chemija

<i>Jankovskienė G., Padarauskas A.</i> Speciation of free and total sulphite in wines by capillary electrophoresis .....	159
Santrauka .....	163

## Organic Chemistry

### Organinė chemija

<i>Matijoška A., Rastenytė L., Kuodis Z., Rutavičius A.</i> Reactions of benzyloxy- and benzhydryloxyethoxyalkynes with heterocyclic amines .....	164
Santrauka .....	168
<i>Rastenytė L., Matijoška A., Kuodis Z., Rutavičius A.</i> Synthesis of 1-mono- and 1,4-disulfoalkylpiperazines .....	169
Santrauka .....	171
Chronicle .....	172
