
Contents of the journal "Acta medica Lithuanica" in 2004

No. 1

- D. KASPERAVIËIÛTË, V. KUËINSKAS.** Mitochondrial DNA sequence analysis in the Lithuanian population 1
- R. T. PREIKÐA, V. MATULEVIËIUS.** Undescended testes: incidence in 1,204 consecutive male infants and outcome at one year of age 7
- G. KOBS, O. BERNHARDT, G. MEYER.** Correlation between steepness of articular eminence and progressive internal derangement of temporomandibular joint 13
- D. RAMAÐAUSKAITË, G. S. DRÀSUTIENË.** Lamellar body counts for fetal lung maturity testing 17
- A. JACKEVIËIUS, V. OSTAPENKO, S. BRUPAS, A. MUDËNAS, J. KURTINAITIS, J. SABONIS.** Follow-up results of treatment in breast cancer patients 21
- M. KUDLEIKAITË, A. KIRKUTIS, A. RAZBADAUSKAS, O. RUGEVIËIENË, S. KUÐLEIKA.** Influence of zinc on relaxation of smooth muscles and ultrastructure of cardiomyocytes under immobilization stress 26
- A. VASILIAUSKAS, A. KETURKIENË, L. LEONAVIËIENË, D. VAITKIENË.** Influence of herb *Filipendula ulmaria* (L.) Maxim tincture on pro-/antioxidant status in gastric tissue with indomethacin-induced gastric ulcer in rats 31
- J. SUBAËIÛTË.** Treatment of spinal cord cancer metastases 37
- V. MALINAUSKIENË, A. AZARAVIËIENË, R. GRAPULEVIËIENË.** Smoking, low job control and myocardial infarction risk in the occupational categories of Kaunas men 41
- K. MILAÐIUS, M. PEËIUKONIENË, R. DADIELIENË.** Effect of Spirulina food supplement on blood morphological and biochemical composition in sportsmen 47
-

No. 2

- A. VASILIAUSKAS, A. UTKUS, A. MATULEVIËIENË, L. LINKEVIËIENË, V. KUËINSKAS.** The incidence of cleft lip and/or palate among newborns in Lithuania, 1992–1997 1
- I. ÅDAMSONE, D. BABARIKINS, R. ROZENTÅLS.** Malnutrition–inflammation complex syndrome contributes to rHuEPO response among ESRD patients 7
- A. MAKSVYTIS, D. STAKIÐAITIS.** Blood serum levels of lipids and apolipoproteins in women with angiographically defined coronary artery disease . 18
- R. MYKOLAITIENË, I. DUMALAKIENË, M. MAURICAS, V. BAËIULIS.** A complex study of the incidence of *M. pneumoniae*, *M. genitalium* and *M. fermentans* in relatively healthy children and children with lower respiratory tract diseases 24
- Z. MACKIEWICZ, E. DUDEK, G. GÛÅB, J. KUBICKI, Y. T. KONTTINEN.** CD34⁺ stem cells in normal placenta tissues and in placenta with intrauterine growth retardation 34
- R. RËKLAITIENË, A. JUOZULYNAS, M. KAZLAUSKAITË, A. LUKÐIENË, D. PETRYLAITË, D. VIRVIËIÛTË.** Quality of life and perceived health among CHD patients and in general population 39
- D. RUGYTË, E. KOKINSKY, K. E. EDBERG, A. KARBONSKIENË, B. ÐINKÛNIENË.** A descriptive study of the use of continuous morphine infusions in pediatric postoperative patients 45
- V. GARALIENË, E. POVILONIS, A. NAVALINSKAS.** 5-brom- 2,3-indolindione: its action on isometric contraction and transmembrane action potential duration in guinea-pig papillary muscles 52

- E. KAZĖNAITĖ, D. KALIBATIENĖ, I. GLEMPIENĖ.** Serological and histological markers of glutenic enteropathy in patients with rheumatoid arthritis and osteoarthritis 57
- R. V. KAZAKEVIČIUS, K. ROTKEVIČIUS.** Kazimierz Pelczar (1894–1943), the prominent professor of Vilnius Stefan Batory University (to the 110th anniversary of his birth) 65

No. 3

- M. RAMAEL, P. GUDLEVIČIENĖ, J. DIDZIAPETRIENĖ.** Natural history and biological behaviour of human papillomavirus: implications for cervical cancer screening 1
- G. ÈESNYS, V. KUÈINSKAS.** The Balts and the Finns in historical perspective: a multidisciplinary approach 8
- E. BENUOVIENĖ, V. KUÈINSKAS.** Clinical and molecular analysis of 40 Lithuanian families with *osteogenesis imperfecta* 15
- A. ĐVIRBLIENĖ, A. GEDVILAITĖ, L. ĐAMONSKYTĖ, K. SASNAUSKAS.** Immunogenicity study of yeast-derived mumps nucleocapsid protein and production of monoclonal antibodies 21
- P. KASILOVSKIENĖ, G. DRÁSUTIENĖ, Z. KUÈINSKIENĖ.** Serum leptin levels in pregnant women and umbilical cord: relationship to mother and neonate anthropometry 26
- V. PETRENKIENĖ, A. VITKAUSKIENĖ, L. JONAITIS, L. KUPÈINSKAS, T. WADSTRÖM.** Detection of *Helicobacter* spp. in liver biopsy specimens 31
- D. GUDAVIČIENĖ, R. RIMDEIKA, K. ADAMONIS.** Efficiency of enteral nutrition in burned patients 36
- R. DADELIENĖ, K. MILAČIUS.** Body adaptation peculiarities in 15–17-year-old juniors training for cycling and rowing sports 41
- A. STAPONAS, V. GRAPIENĖ.** New possibilities for treatment of chronic synovitis in rabbit experimental arthritis 50
- J. ÈEREMNYCH.** Health-related quality of life in older males and females of Vilnius (results of a pilot study) 56

No. 4

- A. MAKSVYTIS, R. BENETIS, D. STAKIŠAITIS.** Relations of blood serum apolipoprotein A-I with rheumatic heart valve fibrosis 1
- S. JANKAUSKIENĖ-KIVERYTĖ, Z. KUÈINSKIENĖ, E. ĐURAUSKAS, I. BOGUDIENĖ, A. LAURINAVIČIENĖ, A. LAURINAVIČIUS.** Direct detection of *Chlamydia pneumoniae* and cytomegalovirus in atherosclerotic tissue by immunohistochemistry and evaluation of serological response to these infections 6
- A. MARKEVIČIUS, A. DRINGELIENĖ.** Comparison of lead and copper exposure effect on immune cells in mice 14
- V. MILASIENE, G. PRASMICKIENE, V. NORKIENE, R. JONUSAUSKAITE, E. STRATILATOVAS, J. DIDZIAPETRIENE.** T- Lymphocyte subsets and lipid peroxidation in relation to survival among advanced gastric cancer patients 19
- G. SMAILYTĖ.** Incidence of cancer of nasal cavities and paranasalsinuses in Lithuania 1978–2002 24
- E. ZDANYTĖ, K. STRUPAS, A. J. BUBNYS, A. UPKALNIS.** Pancreatic pseudocysts: effectiveness of endoscopic drainage procedures 28
- V. MALINAUSKIENĖ, A. AZARAVIČIENĖ, V. APELIS.** The demand–control model and myocardial infarction in the working population of Kaunas men 33
- A. USONIENĖ, P. ÈERKIENĖ, A. USONYTĖ.** Prognostic factors for clinical pregnancy using *in vitro* fertilization / intracytoplasmic sperm injection and embryo transfer procedures 36
- R. RĖKLAITIENĖ, A. TAMODIŪNAS, R. RADIŠAUSKAS, K. JURĖNIENĖ.** The role of socio-demographic status and risk factors in mortality from external causes 42
- R. ARANAUSKAS, A. DEKSNYTĖ, A. DEMBINSKAS.** Delirium as the most common antemortem psychiatric disorder: a 7-year experience at an inpatient psychiatric institution 48
- D. MIELIAUSKAITĖ, A. VENALIS, E. REDAITIENĖ, J. DADONIENĖ, V. GRAPIENĖ, G. KIRDAITĖ.** Identification of primary Sjogren's syndrome family cases 55

CASE REPORTS

- Aris LÂCIS, Vita ŽIDERE, Inguna LUBAUA, Zane STRAUME, Jānis AUZIŅ, Lauris ŠMITS, Inga LÂCE.** *Cor triatriatum* associated with complex heart defects 59
