

## Contents of the journal "Biology" in 2001

Branch of science, author, title of article	No., p.	Branch of science, author, title of article	No., p.
<b>Genetics</b> <b>Genetika</b>		<b>Virology</b> <b>Virologija</b>	
<i>J. R. Lazutka, J. Mierauskienė.</i> Cytogenetic damage of human lymphocytes treated with a phytopharmaceuticals containing plant essential oils and madder root extract .....	1, 3	<i>M. Navalinskienė, M. Samuitienė.</i> Viral diseases of flower plants 15. Identification of viruses affecting gladiolus ( <i>Gladiolus</i> L.) .....	1, 31
Santrauka .....	" 5	Santrauka .....	" 35
<i>V. Rančeliienė, K. Šlekytė, K. Cieminis.</i> An attempt of discrimination between solar UVB and photoreactivating light: chromosomal aberration test in the cells of <i>Crepis capillaris</i> .....	" 6	<b>Immunology</b> <b>Imunologija</b>	
Santrauka .....	" 11	<i>V. Stunženas, G. Stanevičiūtė.</i> The effect of total RNA on splenocyte response to allogenic cells .....	" 36
<b>Biophysics</b> <b>Biofizika</b>		Santrauka .....	" 38
<i>M. Korostenskaja, A. G. Robson, J. J. Kulikowski, O. Rukšėnas.</i> Effect of temporal parameters on visual evoked potentials elicited with tritan, red/green and achromatic stimuli .....	" 12	<b>Proceedings of the conference in honour of eminent botanists of Vilnius University</b>	
Santrauka .....	" 17	Part One. Plant Genetics .....	1, 40–77
<i>S. Saunoriūtė Kerbelienė, P. J. Benson, O. Rukšėnas.</i> Spatial frequency and hemispheric asymmetries in visual information processing .....	" 18	Part Two. Plant Physiology .....	2, 4–64
Santrauka .....	" 24	Part Three. Plant Ecology and Population Biology .....	" 66–113
<b>Microbiology</b> <b>Mikrobiologija</b>		Part Four. Plant Immunology, Phytopathology and Mycology .....	3, 4–53
<i>L. Levinskaitė.</i> Effect of heavy metals on the individual development of two fungi from the genus <i>Penicillium</i> .....	" 25	Part Five. Biotechnology .....	4, 4–36
Santrauka .....	" 30	Part Six. Virology .....	" 37–55
